Madam:

In response to the Notice of Missing Requirements Under 35 U.S.C. 371 mailed November 30, 2007, and any extension necessary to make this Request timely, for which extension Applicant hereby petitions, the following is respectfully submitted:

- (1) Proof that the non-signing inventor cannot be reached after diligent effort;
- (2) An acceptable oath or declaration in compliance with 35 U.S.C. §§ 115 and 116;
- (3) A statement of the last known address of the non-signing inventor; and
- (4) Proof of irreparable damage.

As to item (1), the Applicant has attached a signed statement (Attachment A) describing the facts that are relied on in establishing that a diligent effort was made to locate the non-signing inventor, and copies of the correspondence notifying the non-signing inventor that an application pursuant to 37 CFR §1.47 has been filed on his behalf.

As to item (2), the Applicant has attached a declaration executed by named inventor Victoria A. Wofford (Attachment B) in compliance with 37 CFR §1.63 and §1.64.

As to item (3), the last known address at which the non-signing inventor, Ashton R. Adams, customarily receives mail is believed to be 6208 Red Canyon Drive, #C, Highlands Ranch, Colorado 80130. This is also believed to be the last known address on file with the non-signing inventor's former employer, Tri-Pen TravelMaster Technologies.

As to item (4), a filing date of June 9, 2006 is necessary to preserve the rights of the party against any subsequently filed patent applications and to prevent irreparable damage.

With regard to the filing of this Request, please charge the petition fee of \$200.00 as set forth in §1.17(g) and any additional fees, deficiencies, or credit overpayment to Deposit Account No. 50-2413 of Adams and Reese LLP.

Respectfully submitted,
